Attorney Docket No. **04,177**

TERMINAL DISCLAIMER UNDER 37 CFR 1.321(b)

Applicant, **Blake Bookstaff**, is the owner of 100 percent interest in the above-identified application (hereinafter "the present application").

Pursuant to 37 CFR 3.73(a), the undersigned has reviewed all the evidentiary documents accompanying or referred to in this Terminal Disclaimer and, to the best of the undersigned's knowledge and belief, certifies that title is in the Applicant.

Applicant, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the present application that would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 and 173 of U.S. Patent Application No. 10/303,903, entitled **METHOD AND SYSTEM FOR PROVIDING ADVERTISING TO TELEPHONE CALLERS**, that will issue to the Applicant in due course, (hereinafter "the prior patent application"), as shortened by any terminal disclaimer filed prior to the grant of the prior patent application. Applicant further agrees that any patent granted on the present application shall be enforceable only for and during such period that its legal title is the same as the legal title to the prior patent application, this agreement to run with any patent granted on the present application and to be binding upon the grantee, its successors, and assigns.

In making the above disclaimer, Applicant does not disclaim the terminal part of any patent granted on the present application that would extend to the expiration date of

TERMINAL DISCLAIMER UNDER 37 CFR 1.321(b) PATENT 10/767,183

the full statutory term of the prior patent application as defined in 35 USC 154 to 156 and 173 in the event the prior patent application terminates prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer filed prior to the grant of the patent. Examples of such non-applicable termination of the prior patent application are as follows: (1) prior patent application expires for failure to pay a maintenance fee, (2) prior patent application is held unenforceable, (3) prior patent application is found invalid by a court of competent jurisdiction, (4) prior patent application is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, (5) prior patent application has all claims canceled by a reexamination certificate or reissuance, and (6) prior patent application is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

In making this disclaimer, Applicant reserves the right to extend the term of any patent granted on the present application for a period of delay, in the event the delay is defined by statute and/or regulation as allowing, or providing for, an extension of term. This right is reserved in the event the prior patent application terminates, or does not terminate, prior to the expiration of its full statutory term. Examples of such a delay include regulatory delay, and delay due to appellate review.

The undersigned is empowered to act on behalf of the Applicant.

The fee required by 37 CFR 1.20(d) is attached.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of the Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent thereon.

Dated: 12/11/06
